

To better serve you in your inquiry of conservation options, TRLC must first gather some information about your property. We ask that you take a few minutes to fill out the information below and return it to our office located at 123 N. Main Street, P.O. Box 1161, Louisburg, NC 27549 (Fax: 919-496-6940). Once our land protection staff has had the opportunity to review this material, they will contact you regarding the conservation options that may be applicable to your land.

Please provide as much detail as possible. The information is only intended for TRLC's review to aid in the determination of conservation options.

Email:

What is the property's location (County, Address, Township, relationship to roads/highways, etc.)?

How many acres is the property? _____ acres

Is there access to major roads and highways? Provide details.

Do you own the property? If not, what are the current owner(s) names?

What are the Tract ID numbers (i.e. Tax Parcel ID numbers and Parcel Identification Numbers (PIN))?

What is/are the Deed Book(s) and Page Number(s) for the parcel(s)?

On what date was the property acquired?

How recently was the property surveyed?

In what watershed is the property located?

Is there river/stream/creek frontage? Provide details with name(s) of streams.

If there is river/stream/creek frontage, please describe the land use or land cover of the area adjacent (within 50-feet) to the river/stream/creek (i.e. hardwood or pine trees, mature or immature forest, pasture, cropland, etc)?

What is the current use of property (forest, farm, etc.)?

Approximately how many acres are in forest cover, pasture, cropland or other land use?

Please describe any past land uses that have occurred on the property (i.e. types of crops grown, livestock raised, timber management/harvest, etc.).

If you are managing your property for timber do you have a forest management plan?

Are you currently leasing the property for agriculture, hunting or another purpose? If so, please list the types of leases.

Who currently manages the property?

Are there any historic structures on the property? Provide details.

Please describe any additional existing structures on the property.

Does anyone currently reside on the property (is this your primary residence, rental/tenant housing, etc.)?

Is there a mortgage or other lien/encumbrance on the property?

Have you ever enrolled your property in a conservation program with the USDA Farm Service Agency or the County Soil and Water Conservation District? If so, please list the program(s) and terms of the project(s). (Examples: Conservation Reserve Enhancement Program (CREP), Conservation Reserve Program (CRP), Environmental Quality Incentive Program (EQIP), Wildlife Habitat Incentives Program (WHIP).)

Are you interested in selling or donating your property?

How did you find out about Tar River Land Conservancy?
